Governor

SHEILA J. POOLE  
Commissioner

March 4, 2022

Dear Chief Executive Officer,

Thank you for submitting Rensselaer County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2021-2022. Your entire STSJP plan, including any amounts listed for PY 2021-2022 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2022, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2021 to September 30, 2022. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

### PART I – MUNICIPALITY LEVEL DETAILS

#### A. MUNICIPALITY LEVEL ANALYSIS

- (a) Identify the communities or neighborhoods (ZIP codes) from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS), enter the youth justice system, are remanded to detention, and/or are residentially placed; and (b) Discuss what factors may be contributing to these high numbers:

Our plan targets zip codes 12180, 12182 and 12144. Rensselaer County is in the eastern part of New York State. The eastern boundary of Rensselaer County runs along the New York-Vermont and New York-Massachusetts borders. The U.S Census Bureau estimated Rensselaer County's population at 161,130 in 2020 (please note that all other U.S Census Bureau information for Rensselaer County in 2020 is not yet available). In 2019, the racial makeup of the county was 86.2% white, 8.1% black or African-American, .3% Native American, 2.8% Asian and 2.6% from other races. Between 2014 and 2018, the median income for a household in the county was \$65,851. The county is served by sixteen school districts.

Troy is a city located in Rensselaer County. As of 2019, the population in Troy was approximately 49,154 with a racial makeup of 69.5% white, 17.4% black or African American, .1 % Native American, 4.1% Asian and 8.9% from other races.

Approximately 25.4% of the population in Troy is below the poverty level. Factors that may contribute to youth entering the juvenile justice system are single parent households, domestic violence in the home and gang related activity in the community.

Crimes in Troy are concentrated in the western side of the city and are particularly dense north of Hoosick Street. This is the area where the largest number of youths on probation or placed residentially live with their families.

The largest number of youths placed in detention and out of home placements continues to be in the City of Troy. In 2020, 4 out of 4 youth remanded to Non-Secure Detention were from Troy. 11 out of 16 youth remanded to Secure Detention were from Troy and 15 out of 19 youth remanded to Specialized Secure Detention were from Troy.

2. Resources available at the following link can help you answer these questions:

<https://www.ocfs.ny.gov/programs/youth/stsjp/planning.php>

(a) In the charts below, please provide the municipality's distributions by race, ethnicity, and sex assigned at birth for the general population of youth younger than 18, and for the detained and placed population of youth younger than 18. (**Note:** Every July, the National Center for Health Statistics releases population data for the previous year. The population data you are being asked to report on was the latest available at the time OCFS updated the contents of this plan.)

Race/Ethnicity	2019 General Population <18 years		2020 Detention Admissions <18 years		2020 Placement Admissions <18 years	
	#	%	#	%	#	%
Black/African American	3787	12	24	69	4	50
White	22993	75	8	23	2	25
Native American/Alaskan	91	0	0	0		
Asian/Pacific Islander	933	3	0	0		
Hispanic	2835	9	3	9	2	25

Sex Assigned at Birth	2019 General Population <18 years		2020 Detention Admissions <18 years		2020 Placement Admissions <18 years	
	#	%	#	%	#	%
Male	15670	51	31	89	6	75
Female	14969	49	4	11	2	25

b) If you identified any disparities when comparing youths' representation in the general population and their representation in detention and placement, explain how this plan will address those disparities. If you did not identify any disparities, please note such.

Since at least 2017, the highest percentage of youth being served falls into the 13-17 age category. We have also noticed a trend with respect to residential placements or OCFS custody with the majority of the youths placed being Black/African American; the majority of the youths being remanded to detention (Non-Secure, Secure and Specialized Secure) are African American or Bi-Racial. Since 2010, Rensselaer County has contracted with Berkshire Farms' Stepping Stones Program to reduce the county's need to place youth in detention or other out of home placements. The Family Specialist and teams associated with the programs have an excellent understanding of the family dynamics, as well as any cultural differences, to assist the family in forming plans to resolve identified issues. Currently, the Stepping Stones Family Specialist works with every family that is referred to them for services and to break down cultural barriers to get a successful outcome. The Family Specialist and Program Coordinator secured translation services through All Language Translations and interpreters from this agency were utilized for weekly home visits and family meetings to successfully conduct assessments and engage the family in treatment planning and interventions. As stated above, the majority of the youths placed are Black/African American and the majority of the youths being remanded to detention (Non-Secure, Secure and Specialized Secure) are African American or Bi-Racial. The Family Specialist and team will provide culturally sensitive and trauma focused services in the home and school in order to reduce the number of youth entering detention or placement. Assessments are completed in order to provide recommendations for the youth/family

for the least restrictive level of care that would be needed to support the youth and family safely and productively.

**B. LOCAL COLLABORATION**

1. Legislation requires local collaboration. Please describe your municipality's activities in developing this year's STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

Since 2010, Rensselaer County has contracted with Berkshire Farms' Stepping Stones Program to reduce the county's need to place youth in detention or other out of home placements. The staff from Stepping Stones have partnered with probation and social services in order to best plan and provide the necessary services to meet the needs of the youth and their family. The Family Specialist at Berkshire meets with DSS and probation bi-weekly in an effort to keep the children in the program safe at home while addressing at risk behaviors. The Family Specialist also attends Family Court appearances, school meetings and mental health appointments with the youth and families served.

Rensselaer County also collaborates frequently with our County Probation Department, Mental Health Department, County Attorney's office, Department of Employment and Training, local school districts, and service providers to discuss options and resources for youth that are at risk of placement.

2. How is your municipality gathering participant youth and family feedback as part of your STSJP plan development?

Berkshire Farm Stepping Stones provides a customer satisfaction survey to the families they serve which assists them in making improvements in program development. RCDSS meets with the Stepping Stones team and Probation to review the Stepping Stones annual report which incorporates family and youth feedback. Discussions are had regarding program improvement.

Describe how the plan incorporates that feedback; if you have not yet received youth and family feedback, please describe the municipality implementation plan to develop such feedback mechanisms during PY 2021-2022. RCDSS meets with the Stepping Stones team and Probation to review the Stepping Stones annual report which incorporates family and youth feedback. Discussions are had regarding program improvement and are used to make decisions about what programming to fund under STSJP.

3. Was community feedback in high-need ZIP codes (A.1.) sought as part of the STSJP plan development?

Yes  No

If yes, please describe how the plan incorporates that feedback; if no, please describe the municipality implementation plan to develop such feedback mechanism during PY 2021-2022.

RCDSS meets with the Stepping Stones team to review the Stepping Stones annual report which incorporates family and youth feedback. The Stepping Stones team sends surveys out to the families they work with that DSS, Probation and the Stepping Stones team utilizes to assess community needs. Discussions are had regarding program improvement and are used to make decisions about STSJP plan development such as what other services, supports or oppportunities can be funded through STSJP .

**C. COOPERATIVE APPLICATION (COMPLETE THIS SECTION ONLY IF THIS IS A JOINT APPLICATION.)**

1. Describe the provisions for the proportionate cost to be borne by each county.

2. Describe how personnel will be compensated across and between counties in the cooperative:

3. Will a single fiscal officer be the custodian of the funds made available for STSJP?

Yes (If Yes, please provide their contact details below.)

3. Please list the ZIP codes this program will target:  
 12180, 12182, 12144

4. Describe the program, including how it is family focused. If you answered "Yes" to Q1 (FSS), be sure to demonstrate how your program meets each requirement of the legislation. Also, please explain how each of the service types selected in Q2 will address the unique needs of youth at that system point, and how those services will aid in the reduction of youth detained and residentially or otherwise placed. If you selected Indirect Services, please list them. (Please refer to the STSJP Annual Plan Development Guide for additional guidance.)

The Stepping Stones program will be used as an ATP program by providing families and youth with intensive services to reduce the likelihood that the youth will commit a crime including but not limited to immediate assessments and recommendations, home and community-based services, 24/7 crisis intervention and support to the family and youth. The target population for this program is male and female youths between the ages of 7-17 with the majority of the youths ranging in the 13-17 year old age range. The program will be serving youth that have been adjudicated as a JD or PINS with the goal of identifying therapeutic options such as in home and community based services for the youths and families .

5. Is the program capable of being replicated across multiple locations?  Yes  No

**C. PROGRAM 1 PERFORMANCE HISTORY (REFER TO YOUR MUNICIPALITY'S STSJP DATA FILES.)**

1. What, if any, funding did this program receive in PY 2020-2021? If the program was approved in PY 2020-2021, but was not implemented or is anticipated to serve no youth, please choose None.  
 None (If none, skip to section D.)  STSJP  STSJP-RTA

2. Please use the table to record **how many youth (#) were served** by the program between 10/1/2020 and 3/31/2021. Enter zero (0) if not applicable.

Approved Funding	Program Type								Total
	P	EI	ATD/ATPDP				ATP	R/A	
			(PINS)	(JO/JD)	(JD-RTA)	(AO)			
STSJP								32	32
STSJP-RTA									
Total								32	32

3. Based on the program’s record of youth served, do you anticipate this program serving more or less than its projected capacity on 9/30/2021? Please explain:

We do not anticipate that the program will be over OR under it budgeted capacity on 9/30/2021. The Family Specialist carries a case load of 6 at all times. Once a youth is discharged, the Family Specialist begins to work with the next family on the referral list.

4. Please use the table to record the **average length of service (days)** for youth who exited the program between 10/1/2020 and 3/31/2021. Enter zero (0) if not applicable.

Approved Funding	Program Type

			(PINS)	(JO/JD)	(JD-RTA)	(AO)			
STSJP								268.00	
STSJP-RTA									

5. How does the average length of service compare to what you would expect for that service type? For ATD/ATPDP and ATP service types, compare with the average length of stay for youth who were in detention and residential placements during the same time period.

It is expected that the average length of service would be around 100 days for the Stepping Stones program which is longer than the average length of stay for youth who were in detention during the 10/1/20 to 3/31/21 time frame (77 days). The average length of stay for youth placed residentially is 9 months. Due to the pandemic, the Stepping Stones Family Specialist agreed to work with youth and families longer than they normally would in order to provide additional support.

6. Will this program’s outcomes meet the PY 2020-2021 projected goals by 9/30/2021?

Yes (If Yes, skip to section D.)       Partially       No

7. (a) What outcomes are on track to meet the goals set for PY 2020-2021? (b) How will they be met?

GOAL: 85% of the youth will avoid remand to detention. The performance outcome for this goal was exceeded as 92% of the identified youth avoided a remand to detention. GOAL: 90% of the youth will avert residential placement. The performance outcome for this goal was exceeded as 92% of the identified youth from the Rensselaer County Stepping Stones Prevention Program averted residential placement. The Family Specialist is available directly to families via phone and in person during the regular business day, and maintains flexibility in scheduling emergency appointments with families in urgent need. Berkshire Farm Center & Services for Youth has an After-Hours On-Call system, which allows families to access a Community Services Leader twenty-four hours per day, seven days a week year-round. In 2020, there were 23 critical incidents that occurred with families, in which one or more risk factors were addressed. In all of these incidents, the Family Specialist was able to follow up with family around safety planning, and assist families in times of crisis to avoid a higher level of intervention.

8. (a) What outcomes are not on track to meet the goals set for PY 2020-2021? (b) Please describe any contributing barriers.

GOAL: 90% of the parents will increase their involvement in the school system, health services, community resources and Stepping Stones activities. The performance outcomes regarding an increase in parental involvement and aversion to placement were not met as only 77% of the parents increased their involvement in

the school system, mental health services, community resources and Stepping Stones activities. Barriers included an increase in youths negative behaviors, truancy, suspensions, runaways, family functioning issues, substance abuse and mental health issues to name, parents' work schedules to name a few, as well as the COVID-19 pandemic.

9. What changes have been made to overcome the barriers identified in Q8, so that the program can achieve its desired goals for PY 2021-2022?

The Stepping Stones Family Specialist continues to work consistently/intensively with the families the program is serving as well as working around parents' schedules which will show an increase in percentages with respect to this performance outcome related to parental involvement in the school system, mental health services, community resources and Stepping Stones activities.

**D. PROGRAM 1 SERVICE PROJECTIONS FOR PY 2021-2022**

The program is an evidence based family intervention program for RTA-JD adjudicated youth and their families. The Functional Family Therapist works intensively with stakeholders to reduce the need for out-of-home placement, as well as shorten the length of placement and dependence upon the social services system. This is

accomplished by identifying risk factors, then creating safety and treatment plans that focus on empowering and strengthening families to problem solve, plan for safety, increase independence, productivity and family functioning within their home community. The Functional Family Therapist also works with parents to increase their involvement in their children’s schools and community resources. The ages of youth served will be 16-17. No funding was used for this program as it did not come to fruition during the 2020-2021 PY.
